The above assignment is based upon a verbal request from Richard KING, WH 4, on 19 January 1962. A similar assignment was scheduled in early December 1961, but the case was cancelled because the Subject did not have a valid true-name permit from any state and DFO advised it could not obtain the alias permit from the (District of Columbia ) Registry of Motor Vehicles. With regard to the address as shown above, KING requested that it be backstopped. Accordingly, I advised 03 (David Aukstikalnis) on 19 January 1962 to arrange with WFO to backstop the address in the Subject's alias.
